Volume 27, Number 1, January to March, 2005
Patiala.

Editor-in-Chief : Prof. R.K. Grew

From Editor's Desk

It is my pleasure to present before you the first issue of this New Year 2005. As it is customary to take a resolution on the New Year eve, we also make a resolution to improve the quality and status of our journal. We learn from the mistakes and try to improve upon these mistakes. We have tried to improve the journal by forming a global advisory panel along with the national advisory panel. You will be glad to know that now this journal is indexed with the IndMed (medind.nic.in) and your full papers will now be available online. I am thankful to the advertisers who have provided additional funds for this journal.
